Shuttle Information

Arrival: Once your guests land at The BTR Airport, they must call the Hilton Baton Rouge Capitol Center Hotel at (225) 344-5866 to inform us of their shuttle needs.

Our shuttle will promptly leave our property to pick up your guests.

It typically takes around 10 minutes for our driver to arrive at The BTR Airport; guests will be picked up right outside of Baggage Claim on the 1st floor.

Our vehicle can comfortably seat up to 8 people per trip.

Departure: The Airport Shuttle leaves our property consistently, every hour on the hour, and on the half hour. To reserve a seat on the next ride to the airport, your guests must stop by in person or call our front desk, and provide the following information on the Hotel Shuttle Log:

1. Their name(s)
2. Date of shuttle ride
3. Specific time requested to leave hotel for The BTR Airport

*We can only provide this service to guests arriving/departing via the Baton Rouge Metropolitan Airport (also known as Ryan Field).

*The shuttle can travel within a 5 mile radius of the hotel for specific guest requests; however the only shuttle that we can guarantee is to The BTR Airport.
